*Inspiring and developing future professionals in
the global red meat industry*

ICMJ Northern Conference Information pack

Wednesday, 15 - Saturday, 18 April 2020
Rockhampton, Qld

Hosted by:

www.icmj.com.au

Program Overview

Take the next step in preparing yourself for a great career in the Northern Beef industry by participating in the second-ever **ICMJ Northern Conference and Workshop to be hosted by CQUniversity and Teys Australia in Rockhampton, Qld from 15-18 April 2020.**

The event is the perfect vehicle for both agriculture students, pastoral company and agribusiness staff to enhance their knowledge of the factors affecting beef eating quality at every point from farm through to abattoir and on to the end consumer.

The ICMJ Association Inc is a not-for-profit association. Our mission is to ***‘Inspire and develop future professionals in the global red meat industry’***. Now in its 30th year of existence, the Australian ICMJ has accomplished a long and successful reputation of attracting graduates to careers in the red meat industry.

The establishment of a Northern Conference provides an opportunity to expand the ICMJ program and to provide a platform that better aligns with the objectives of institutions and businesses in the north, as well reducing travel distances and costs for northern participants to gain valuable skills and knowledge of the Australian meat industry.

2020 Northern DRAFT program at a glance

Objectives

The Northern ICMJ conference aims to:

- Equip attendees with better knowledge and skills specific to northern beef production and associated meat quality and attributes
- Highlight carcass characteristics of northern beef breeds and resulting meat quality
- Raise awareness of career opportunities & create linkages with future employers across the northern beef supply chain
- Expose attendees to new technologies and capabilities within the meat industry.
- Educate attendees on Australia's position within the global meat supply chain.

Register now

This is a fantastic opportunity to build the capacity in the northern beef industry and for young agriculture students to gain new skills as well as network with potential employers.

With subsidies provided by industry and sponsors, the cost to attend will be:

- **\$330 (incl GST)** - Full conference registration, meals & on-campus student accommodation at CQUniversity.
- **\$240 (incl GST)** - Full conference registration, meals (excluding breakfasts) with your own accommodation provided.
- **\$70 (incl GST)** - Conference Awards Dinner (2-course), at Headricks Lane on Saturday, 18 April 2020.

Please register at the following link (registrations will be open until 20 March 2020 OR until sold out - **So get in quick!**):

<https://icmj.com.au/product/2020-icmj-northern-conference-registration/>

Please note: you do not need to be in a team to attend this event and compete in the beef judging contest. Competing in the beef competition is also not mandatory.
